sending people to prison and quit being a Solicitor Then i may let you live longer But im sorry im still going to kill you! But if you repent to me i may! Grant you a open casket for those sick enough to cry over such a disgrace like you. For your evil ways. I will cage your soul in a cell for 75 years so you can live in missery like me and other inmates have. i will allow to sit and contiplate on how you shall die! ? Will i come to your office with a gun an blow your brains out? Will I be lurking in the dark when you attempt to go to your car and just appear and bash your fucking brains in? Or even better will i be sitting in your closet when you get home hop out and stab yo ass an watch the life leave your flesh. Which way would you prefer? Cause i am the Almighty. !Every day should be one you enjoy! The Clocks Ticking.Tich..Tich". The letter was signed
